

# Pedagogical Coaching

In-Person Workshop (Sydney)

## PROGRAM OVERVIEW

The Pedagogical Coaching program is aligned to Teach Like a Champion program and will enable participants to build their knowledge and skills in coaching so they can review, reflect, and plan for sustained improvement in teacher capability and student learning.

This program will build on existing teaching, leadership, and coaching skills through the Principles of Coaching – **INTENT** Granular Teaching Goals / techniques, **LEARN** Plan, Practice, Follow Up (See it, Name it, Do It Model) and **FEEDBACK** Praise, Probe and Plan.

Throughout the workshop participants will analyse teaching / pedagogy, unpack evidenced based practices, complete coaching practice and review case study scenarios. This will embed the knowledge and skills learnt through the program.

*Coaching is a learning relationship that  
“unlock[s] people’s potential to maximize their own performance”  
(Gallwey in Whitmore, 2010, p. 10)*
