

Teach Like a CHAMPION®

In Person Workshop – Building Strong Classroom Cultures (Melbourne)

PROGRAM OVERVIEW

PWRD Leadership, in partnership with Teach Like a Champion, are proud to support teachers and leaders with a Teach Like a Champion workshop on Building Strong Classroom Cultures. The purpose in creating classrooms with strong cultures is to enable rigorous and engaging academic instruction to thrive. This workshop is on the high impact behavioural and culture techniques from Teach Like a Champion 3.0. Former teacher, principal and charter-school founder Doug Lemov authored Teach Like a Champion after observing teachers getting exceptional results. He realised by naming and describing successful teacher techniques, coupled with short, focused video clips of the techniques in action, the practices could be easily shared with others.
