

High Performing School Culture

(Building Adult and Student Culture)

- In Person Workshop

PROGRAM OVERVIEW

This program is built on evidence-based practices that High Performing Cultures demonstrate to be effective in improving educational outcomes. The High Performing School Culture Masterclass is a one-day face-to-face workshop designed to unpack fundamental principles that underpin the building of a positive school culture so that students and staff feel accepted, valued, respected, and included.

“We have argued that an academically effective school is distinguished by its culture: a structure, process and climate or values and norms that channel staff and students in the direction of successful teaching and learning.” Saphier and King
