

| | Three Levels of Observations |
|---------------------------|---|
| Level 1 | Key Elements of an Effective Walkthrough: |
| Walk | 1. Clear Focus or Objective: |
| | E.g., Observe implementation of an element of the Lesson Structure. |
| Throughs | 2. Frequent but Low-Stakes: |
| | These are not evaluations or inspections—they're about building your Pool of |
| | Knowledge. |
| | 3. Use of a Look-For List or Checklist: |
| | Pre-determined indicators aligned to desired outcomes. |
| | 4. Brief and Consistent: |
| | Often 5–15 minutes per location or team. |
| | 5. Follow-Up: |
| | Debrief with staff, share insights, celebrate strengths, and use the information to |
| | make strategic decisions. |
| Level 2 | Observations |
| Observations | Leaders complete 15-minute observations to build their Pool of Knowledge and to give staff |
| Observations | positive feedback on a school priority. Information is used to make strategic decisions. |
| | Observations may focus on: |
| | Lesson planning and delivery |
| | Classroom management |
| | Student engagement |
| | Use of teacher aids and technology |
| | Differentiation and inclusion |
| | Postcard & Positive Feedback: |
| | "The leader is to give the teacher positive feedback when they leave the room and then |
| | write a positive postcard and place it in the teachers Pigeon hole. |
| Level 3 | Key Components of a Teacher Observation System |
| | |
| Observations | 1. Observation Schedule |
| | Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) |
| Observations and Feedback | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement Assessment and feedback |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement Assessment and feedback Professionalism and collaboration |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) Description Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement Assessment and feedback Professionalism and collaboration Feedback Process |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) Disservation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement Assessment and feedback Professionalism and collaboration Feedback Process Post-observation meeting (feedback is shared constructively) |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement Assessment and feedback Professionalism and collaboration 4. Feedback Process Post-observation meeting (feedback is shared constructively) Specific strengths and areas for improvement |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement Assessment and feedback Professionalism and collaboration 4. Feedback Process Post-observation meeting (feedback is shared constructively) Specific strengths and areas for improvement Goal setting and action plan |
| | 1. Observation Schedule Pre-determined intervals (e.g., once per term or multiple times per year) Can be announced (formal) or unannounced (informal) 2. Observation Tools Rubrics or Checklists (e.g., Teach Like a Champion, Marzano Model) Anecdotal Notes Digital Tools (e.g., Microsoft Forms, iObservation, or Google Forms) 3. Focus Areas Common domains assessed: Lesson planning and preparation Instructional delivery Classroom environment and management Student engagement Assessment and feedback Professionalism and collaboration 4. Feedback Process Post-observation meeting (feedback is shared constructively) Specific strengths and areas for improvement |

• Useful for professional development planning **6. Professional Development**

Observations inform targeted training and support

Often part of performance appraisals
